## **Item 1.01. Entry into a Material Definitive Agreement.**

### Notes Offering.

On October 5, 2009, Pregis Corporation (the “Company”), a subsidiary of Pregis Holding II Corporation, issued €125,000,000 aggregate principal amount of Second Priority Senior Secured Floating Rate Notes due 2013 (the “Notes”). The Notes were issued in a transaction pursuant to Rule 144A and Regulation S under the Securities Act of 1933, as amended (the “Securities Act”). The Company used the net proceeds of the offering of the Notes, together with cash on hand, to repay in full the term loans under the Company’s senior secured credit facilities.

In connection with the sale of the Notes, the Company entered into a supplemental indenture, a registration rights agreement, an amendment to its senior secured credit facilities and amendments to certain of its security agreements, all of which are described below.

### Supplemental Indenture and Description of Notes.

The Notes were issued under an indenture, dated as of October 12, 2005, among the Company, the guarantors named therein, The Bank of New York, as trustee, collateral agent, registrar and paying agent, and RSM Robson Rhodes LLP, as Irish paying agent (the “Base Indenture”), as supplemented by a supplemental indenture, dated as of October 5, 2009, among the Company, the guarantors named therein, The Bank of New York Mellon Trust Company, N.A., as trustee and collateral agent, The Bank of New York Mellon (Luxembourg) S.A., as successor registrar to The Bank of New York, The Bank of New York Mellon, as paying agent, and Grant Thornton, as Irish paying agent (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”).

The Notes were sold at an issue price of 94% of their aggregate principal amount, together with accrued interest from July 15, 2009 (as if the Notes had been issued and outstanding since July 15, 2009). The Notes bear interest at a floating rate of EURIBOR plus 5.00% per year, payable quarterly on January 15, April 15, July 15 and October 15 of each year, beginning on October 15, 2009. The Notes will mature on April 15, 2013. The Notes are treated as a single class under the Indenture with the Company’s €100,000,000 principal amount of Second Priority Senior Secured Floating Rate Notes (the “Original Notes”), which were issued on October 12, 2005. However, the Notes were issued with more than de minimis original issue discount for United States federal income tax purposes and, as such, are not fungible with the Original Notes and trade under separate ISIN and Common Code numbers.

The Notes are secured on a second priority basis by substantially all of the assets which secure the Company’s senior secured credit facilities, and are guaranteed by Pregis Holding II Corporation and the Company’s domestic subsidiaries.

The description of the Notes above is qualified in its entirety to the applicable terms of the Supplemental Indenture, which is filed as Exhibit 4.1 hereto, and the Base Indenture, which was filed as Exhibit 4.1 to Amendment No. 1 to the Registration Statement on Form S-4 of Pregis Holding II Corporation, filed with the Securities and Exchange Commission (the “SEC”) on February 14, 2006.

### Registration Rights Agreement.

On October 5, 2009, the Company entered into a registration rights agreement (the “Registration Rights Agreement”) pursuant to which the Company agreed to file a registration statement and use commercially reasonable efforts to cause it to be declared effective as promptly as possible after the issuance of the Notes, thereby permitting the Company to offer to exchange the notes for a new issue of

identical debt securities registered under the Securities Act. Under the Registration Rights Agreement, the Company has agreed to complete the exchange offer for the Notes by no later than 270 days after the issuance of the Notes, and has also agreed to provide a shelf registration statement to cover resales of the Notes under certain circumstances. The Registration Rights Agreement also requires the Company to pay additional interest to holders of the Notes under certain circumstances if the Company fails to satisfy certain of its obligations under the Registration Rights Agreement within the time periods specified in the agreement.

#### Amendment to Senior Secured Credit Facilities.

On October 5, 2009, the Company entered into an amendment to its senior secured credit facilities (the “Bank Amendment”). Among other things, the Bank Amendment:

- permits the Company to engage in certain specified sale leaseback transactions expected to yield up to \$37 million in 2009 and up to \$35 million of additional sale leaseback transactions through the maturity of the senior secured credit facilities;
- replaces the maximum leverage ratio covenant of 5.0x under the senior secured credit facilities with a first lien leverage covenant of 2.0x;
- eliminates the minimum cash interest coverage ratio covenant under the senior secured credit facilities;
- increases the accordion feature of the term loan portion of the senior secured credit facilities by \$100.0 million, allowing the Company to borrow up to \$200.0 million under the term loan portion of the senior secured credit facilities, subject to certain conditions including receipt of commitments therefor;
- provides for additional subordinated debt issuances subject to a 2x interest coverage ratio; and
- modifies several other covenants in the senior secured credit facilities to provide the Company with more flexibility.

#### Amendments to Security Agreements.

In connection with the issuance of the Notes, on October 5, 2009, the Company entered into amendments to the following security agreements to provide for perfected security interests securing the Notes: (1) an amendment to the Company’s second lien security agreement, (2) an amendment to the Company’s second lien intellectual property security agreement and (3) an amendment to the subordinated pledge agreement relating to Pregis (Luxembourg) Holding S,à r.l. a subsidiary of the Company (collectively, the “Security Agreement Amendments”).

The descriptions of the Supplemental Indenture, Registration Rights Agreement, Bank Amendment and Security Agreement Amendments are qualified in their entirety by references to the complete agreements, which are filed as Exhibits 4.1, 4.2, 10.1 and 10.2-10.4 hereto, respectively. The description of the Base Indenture is qualified in its entirety by reference to the complete agreement, which was filed as Exhibit 4.1 to Amendment No. 1 to the Registration Statement on Form S-4 of Pregis Holding II Corporation, filed with the SEC on February 14, 2006.

Senior Secured Floating Rate Notes due 2013

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. *Interest.* Interest on the Notes will be payable quarterly in arrears on January 15, April 15, July 15 and October 15, commencing on October 15, 2009. The interest rate for each quarterly interest period will be determined on the second Business Day prior to the first day of the interest period (the “**Interest Determination Date**”). The interest rate for such quarterly period will be equal to the EURIBOR rate, as determined at 11:00 a.m. London time, on the Interest Determination Date, for deposits maturing at or around the end of such quarterly interest period, plus 5.00% per year (as reported by the Calculation Agent). The Company will make each interest payment to the Holders of record on the immediately preceding January 1, April 1, July 1 and October 1. Any Additional Interest due will be paid on the same dates as interest on the Notes. Interest on the Notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprising twelve 30-day months.

“**EURIBOR**” means the applicable percentage rate for EURIBOR per annum as determined by the Banking Federation of the European Union for the relevant period as displayed on the appropriate page of the Telerate screen; or, if no screen rate is available for the applicable interest period, the arithmetic mean of the rates (rounded upwards to four decimal places) as supplied to the Trustee at its request quoted by the reference banks under the Credit Agreement to leading banks in the European interbank market, in each case as of 11:00 a.m., London time, on the rate determination date, for the offering of deposits in euro for a period comparable to the quarterly interest period for which the rate is being set.

2. *Method of Payment.* The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the January 1, April 1, July 1 and October 1 next preceding the interest payment date, even if such Notes are canceled after such record date and on or before such interest payment date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Notes shall be payable as to principal, interest and premium and Additional Interest, if any, at the offices or agencies of one or more Paying Agents and Registrars maintained for such purpose in The City of New York, New York and Dublin, Ireland, or, at the option of the Company, payment of interest, may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and provided that payment by wire transfer of immediately available funds shall be required with respect to the principal of, and premium, if any, interest and Additional Interest, if any, on, all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Company or the Paying Agent. Such payment shall be in euro.

3. *Paying Agent and Registrar.* The Trustee under the Indenture shall initially act as Paying Agent and Registrar and Grant Thornton shall initially act as Paying Agent in Ireland. The Company may change any Paying Agent or Registrar without prior notice to the

Holders, and the Company or any of its Subsidiaries or other Affiliates may act as Paying Agent or Registrar.

4. *Indenture.* The Company issued the Notes under an Indenture, dated as of October 12, 2005, as supplemented (the “**Indenture**”), among the Company, the Guarantors parties thereto, the Trustee, the Collateral Agent and Grant Thornton (as Irish Paying Agent). The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture pursuant to which this Note is issued provides that an unlimited principal amount of Additional Notes may be issued thereunder.

5. *Optional Redemption.* The Company may redeem (at any time) all or (from time to time) a portion of the Notes upon not less than 30 nor more than 60 days’ notice, at 100.00% of the principal amount plus accrued and unpaid interest and Additional Interest, if any, thereon, to the applicable redemption date.

6. *Selection and Notice of Redemption.* If less than all of the Notes are to be redeemed at any time, the Trustee shall select Notes for redemption as follows: (i) if the Notes are listed on any national securities exchange or automated quotation system, in compliance with the requirements of such national securities exchange or automated quotation system; or (ii) if the Notes are not so listed, on a pro rata basis, by lot or by such method as the Trustee deems fair and appropriate. No Notes of €1,000 or less shall be redeemed in part; *provided* that no Notes will be redeemed in part if the resulting Note would have a minimum denomination that is less than €50,000. Notices of redemption shall be mailed by first class mail at least 30 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at its registered address. Notices of redemption may not be conditional. If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note shall be issued in the name of the Holder thereof upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, unless the Company defaults in the payment of the redemption price, Notes or portions thereof called for redemption shall cease to accrue interest.

7. *Repurchase at Option of Holder.* (a) Upon the occurrence of a Change of Control, each Holder of Notes shall have the right to require the Company to repurchase all or any part (equal to €50,000 principal amount or an integral multiple of €1,000 in excess thereof) of that Holder’s Notes pursuant to an offer described below (the “**Change of Control Offer**”) at an offer price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest and Additional Interest, if any, thereon, to the date of repurchase (the “**Change of Control Payment Date**”), which date shall be no earlier than the date of such Change of Control. No later than 30 days following any Change of Control (or, at the Company’s option, prior to such Change of Control but after it is publicly announced if a definitive agreement is in effect for such Change of Control at the time of such announcement), the Company shall mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control Payment Date specified in such

notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the Indenture and described in such notice.

(b) If the aggregate amount of Excess Proceeds equals or exceeds \$20.0 million, the Company shall make an offer to purchase (“**Asset Sale Offer**”), pursuant to Section 4.10 of the Indenture, to all Holders of Notes and all holders of Pari Passu Debt containing provisions similar to those set forth in the Indenture with respect to offers to purchase with the proceeds of sales of assets to purchase the maximum principal amount of Notes and Pari Passu Debt that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer shall be equal to 100% of the aggregate principal amount of the Notes and Pari Passu Debt, plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase, and shall be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use such Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and Pari Passu Debt tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Notes and Pari Passu Debt shall be purchased on a pro rata basis based on the aggregate principal amount of Notes and such Pari Passu Debt tendered. Upon completion of each Asset Sale Offer, the Excess Proceeds subject to such Asset Sale shall no longer be deemed to be Excess Proceeds.

8. *Denominations, Transfer, Exchange.* The Notes are in registered form without coupons in denominations of €50,000 principal amount and integral multiples of €1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company is not required to transfer or exchange any Note selected for redemption. Also, the Company is not required to transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

9. *Persons Deemed Owners.* The registered Holder of a Note shall be treated as the owner of it for all purposes.

10. *Amendment, Supplement and Waiver.* Subject to certain exceptions, the Indenture, the Note Guarantees, the Notes or the Security Documents may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and any existing default or compliance with any provision of the Indenture, the Notes or the Security Documents may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes). Without the consent of any Holder of Notes, the Company, the Guarantors and the Trustee may amend or supplement the Indenture, the Notes, the Note Guarantees or the Security Documents, to, among other things, cure any ambiguity, defect or inconsistency, or make any change that does not materially adversely affect the legal rights under the Indenture of any such Holder.

11. *Defaults and Remedies.* In the case of an Event of Default under Sections 6.01(h) and (i) of the Indenture, all unpaid principal of, and premium, if any, and accrued and unpaid interest and Additional Interest, if any, on, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately by notice in writing to the Company specifying the Event of Default.

Holders of the Notes may not enforce the Indenture, the Notes or the Security Documents except as provided in the Indenture and the Security Documents. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium or interest or Additional Interest, if any) if it determines that withholding notice is in their interest.

In the case of any Event of Default occurring by reason of any willful action or inaction taken or not taken by or on behalf of the Company with the intention of avoiding payment of the premium that the Company would have had to pay if the Company then had elected to redeem the Notes pursuant to Section 3.07 of the Indenture, an equivalent premium shall also become and be immediately due and payable to the extent permitted by law upon the acceleration of the Notes.

12. *Collateral.* The obligations of the Company under the Notes and the Guarantors under their respective Note Guarantees are secured by a second priority security interest on all property and assets of the Company and the Guarantors constituting Collateral.

13. *Trustee Dealings with Company.* The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may become a creditor of, or otherwise deal with the Company or any of its Affiliates, with the same rights it would have if it were not Trustee.

14. *No Recourse Against Others.* No director, officer, employee, incorporator, stockholder, member, manager or partner of the Company, the Parent or any of their respective Affiliates, as such, shall have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture or the Note Guarantees or the Security Documents for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. This waiver and release are part of the consideration for issuance of the Notes. This waiver may not be effective to waive liabilities under the federal securities laws.

15. *Authentication.* This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

16. *CUSIP Numbers, ISIN Numbers and Common Codes.* The Company has caused CUSIP numbers, ISIN numbers and/or Common Codes to be printed on the Notes and the Trustee may use CUSIP numbers, ISIN numbers or Common Codes in notices of redemption as a

convenience to Holders. No representation is made as to the accuracy of such numbers or codes either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

17. *Guarantee.* The Company's obligations under the Notes are fully and unconditionally guaranteed, jointly and severally, by the Guarantors.

18. *Copies of Documents.* The Company shall furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

CREDIT SUISSE SECURITIES (EUROPE) LIMITED  
BARCLAYS BANK PLC  
GOLDMAN SACHS INTERNATIONAL  
c/o Credit Suisse Securities (Europe) Limited,  
One Cabot Square  
London E14 4QJ  
United Kingdom

Dear Sirs:

Pregis Corporation, a Delaware corporation (the “**Issuer**”), proposes to issue and sell, upon the terms set forth in a purchase agreement dated September 24, 2009 (the “**Purchase Agreement**”), to Credit Suisse Securities (Europe) Limited, Barclays Bank PLC and Goldman Sachs International (collectively, the “**Initial Purchasers**”) €125,000,000 aggregate principal amount of its Second Priority Senior Secured Floating Rate Notes due 2013 (the “**Initial Securities**”), to be unconditionally guaranteed (the “**Guarantees**”) by Pregis Holding II Corporation and the subsidiaries of the Issuer named in Schedule B to the Purchase Agreement (the “**Guarantors**”) and, together with the Issuer, the “**Company**”). The Initial Securities will be issued pursuant to an Indenture, dated as of October 12, 2005 (the “**Base Indenture**”), among the Issuer, the guarantors named therein, The Bank of New York Trust Company, N.A., as successor registrar and paying agent to The Bank of New York (the “**Trustee**”), and Grant Thornton (as successor to RSM Robson Rhodes LLP) as Irish Paying Agent, as supplemented by a supplemental indenture, dated as of October 5, 2009 (the “**Supplemental Indenture**”, and, together with the Base Indenture, the “**Indenture**”). As an inducement to the Initial Purchasers, the Company agrees with the Initial Purchasers, for the benefit of the holders of the Initial Securities (including, without limitation, the Initial Purchasers), the Exchange Securities (as defined below) and the Private Exchange Securities (as defined below) (collectively, the “**Holder**s”), as follows:

1. *Registered Exchange Offer.* The Company shall, at its own cost, prepare and file with the Securities and Exchange Commission (the “**Commission**”) one or more registration statements (the “**Exchange Offer Registration Statement**”) on an appropriate form under the Securities Act of 1933, as amended (the “**Securities Act**”) with respect to a proposed offer (the “**Registered Exchange Offer**”) to the Holders of Transfer Restricted Securities (as defined in Section 6(d) hereof), who are not prohibited by any law or policy of the Commission from participating in the Registered Exchange Offer, to issue and deliver to such Holders, in exchange for the Initial Securities, a like aggregate principal amount of debt securities (the “**Exchange Securities**”) of the Company issued under the Indenture and identical in all material respects to the Initial Securities (except for the transfer restrictions relating to the Initial

Securities and the provisions relating to the matters described in Section 6 hereof) that would be registered under the Securities Act. The Company shall use commercially reasonable efforts to cause such Exchange Offer Registration Statement to become effective under the Securities Act as promptly as possible.

Following the declaration of the effectiveness of the Exchange Offer Registration Statement, the Company shall promptly commence the Registered Exchange Offer, it being the objective of the Registered Exchange Offer to enable each Holder of Transfer Restricted Securities electing to exchange the Initial Securities for Exchange Securities (assuming that such Holder is not an affiliate of the Company within the meaning of the Securities Act, acquires the Exchange Securities in the ordinary course of such Holder's business and has no arrangements with any person to participate in the distribution of the Exchange Securities and is not prohibited by any law or policy of the Commission from participating in the Registered Exchange Offer) to trade such Exchange Securities from and after their receipt without any limitations or restrictions under the Securities Act and without material restrictions under the securities laws of the several states of the United States.

The Company acknowledges that, pursuant to current interpretations by the Commission's staff of Section 5 of the Securities Act, in the absence of an applicable exemption therefrom, (i) each Holder which is a broker-dealer electing to exchange Securities, acquired for its own account as a result of market making activities or other trading activities, for Exchange Securities (an "**Exchanging Dealer**"), is required to deliver a prospectus containing the information set forth in (a) Annex A hereto on the cover, (b) Annex B hereto in the "**Exchange Offer Procedures**" section and the "**Purpose of the Exchange Offer**" section, and (c) Annex C hereto in the "**Plan of Distribution**" section of such prospectus in connection with a sale of any such Exchange Securities received by such Exchanging Dealer pursuant to the Registered Exchange Offer and (ii) an Initial Purchaser that elects to sell Exchange Securities acquired in exchange for Securities constituting any portion of an unsold allotment is required to deliver a prospectus containing the information required by Items 507 or 508 of Regulation S-K under the Securities Act, as applicable, in connection with such sale.

The Company shall use its reasonable best efforts to keep the Exchange Offer Registration Statement effective and to amend and supplement the prospectus contained therein, in order to permit such prospectus to be lawfully delivered by all persons subject to the prospectus delivery requirements of the Securities Act for such period of time as such persons must comply with such requirements in order to resell the Exchange Securities; *provided, however*, that in the case where such prospectus and any amendment or supplement thereto must be delivered by an Exchanging Dealer or an Initial Purchaser, such period shall be the lesser of 180 days and the date on which all Exchanging Dealers and the Initial Purchasers have sold all Exchange Securities held by them (unless such period is extended pursuant to Section 3(j) below).

If, upon consummation of any Registered Exchange Offer, any Initial Purchaser holds Initial Securities acquired by it as part of its initial distribution, the Company, simultaneously with the delivery of the Exchange Securities pursuant to such Registered Exchange Offer, shall issue and deliver to such Initial Purchaser upon the written request of such Initial Purchaser, in exchange (the "**Private Exchange**") for the Initial Securities held by such Initial Purchaser, a like principal amount of debt securities of the Company issued under the Indenture and identical in all material respects (including the existence of restrictions on transfer under the Securities Act and the securities laws of the several states of the United States, but excluding provisions relating to the matters described in Section 6 hereof) to the Initial Securities (the "**Private Exchange Securities**"). The Initial Securities, the Exchange Securities and the Private Exchange Securities are herein collectively called the "**Securities**".

In connection with any Registered Exchange Offer, the Company shall:

(a) mail or deliver to each registered Holder a copy of the prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;

(b) with respect to the Registered Exchange Offer, utilize the services of The Bank of New York Depository (Nominees) Limited as Nominee for The Bank of New York Trust Company, N.A., London Branch for the Registered Exchange Offer, which may be the Trustee or an affiliate of the Trustee;

(c) permit Holders to withdraw tendered Securities at any time prior to the close of business, New York time, on the last business day on which the Registered Exchange Offer shall remain open; and

(d) otherwise comply with all applicable laws.

As soon as reasonably practicable after the close of each Registered Exchange Offer or the related Private Exchange, as the case may be, the Company shall:

(x) accept for exchange all the Securities validly tendered and not withdrawn pursuant to such Registered Exchange Offer and the Private Exchange;

(y) deliver to the Trustee for cancellation all the relevant Initial Securities so accepted for exchange; and

(z) cause the Trustee to authenticate and deliver promptly to each Holder of the relevant Initial Securities, the relevant Exchange Securities or Private Exchange Securities, as the case may be, equal in principal amount to the Initial Securities of such Holder so accepted for exchange.

The Indenture provides that the relevant Exchange Securities will not be subject to the transfer restrictions set forth in such Indenture and that all the relevant Securities will vote and consent together on all matters as one class and that none of the relevant Securities will have the right to vote or consent as a class separate from one another on any matter.

Interest on each Exchange Security and Private Exchange Security issued pursuant to the Registered Exchange Offer and in the Private Exchange will accrue from the last interest payment date on which interest was paid on the Initial Securities surrendered in exchange therefor or, if no interest has been paid on the Initial Securities, from the date of original issue of the Initial Securities.

Each Holder participating in a Registered Exchange Offer shall be required to represent to the Company that at the time of the consummation of such Registered Exchange Offer (i) any Exchange Securities received by such Holder pursuant to such Registered Exchange Offer will be acquired in the ordinary course of business, (ii) such Holder will have no arrangements or understanding with any person to participate in the distribution of the relevant Securities or such Exchange Securities within the meaning of the Securities Act, (iii) such Holder is not an "affiliate," as defined in Rule 405 of the Securities Act, of the Company or if it is an affiliate, such Holder will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable, (iv) if such Holder is not a broker-dealer, such Holder is not engaged in, and does not intend to engage in, the distribution of the Exchange Securities and (v) if such Holder is a broker-dealer, such Holder will receive such Exchange Securities for its own account in exchange for the relevant Initial Securities that were acquired as a result of market-making

activities or other trading activities and will be required to acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Securities.

Notwithstanding any other provisions hereof, the Company will ensure that (i) any Exchange Offer Registration Statement and any amendment thereto and any prospectus forming part thereof and any supplement thereto complies in all material respects with the Securities Act and the rules and regulations thereunder, (ii) any Exchange Offer Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (iii) any prospectus forming part of any Exchange Offer Registration Statement, and any supplement to such prospectus, does not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

2. *Shelf Registration.* If (i) the Company is not permitted to consummate a Registered Exchange Offer with respect to a series of Initial Securities because such Registered Exchange Offer is not permitted by applicable law or Commission policy or (ii) any Holder notifies the Company that (x) it is prohibited by law or Commission policy from participating in a Registered Exchange Offer, (y) it may not resell the Exchange Securities acquired by it in a Registered Exchange Offer to the public without delivering a prospectus and the prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales, or (z) it is a broker-dealer and owns Securities acquired directly from the Company or one of its affiliates, the Company shall take the following actions:

(a) The Company shall, at its cost, as promptly as practicable (but in no event more than 30 days after so required or requested pursuant to this Section 2) file with the Commission and thereafter shall use commercially reasonable efforts to cause to be declared effective as promptly as possible (and in no case later than 120 days after so required or requested pursuant to this Section 2) a registration statement (the “**Shelf Registration Statement**” and, together with the Exchange Offer Registration Statement, a “**Registration Statement**”) with respect to such Initial Securities on an appropriate form under the Securities Act relating to the offer and sale of the Transfer Restricted Securities (as defined in Section 6 hereof) by the Holders thereof from time to time in accordance with the methods of distribution set forth in the Shelf Registration Statement and Rule 415 under the Securities Act (hereinafter, the “**Shelf Registration**”); *provided, however*, that no Holder (other than an Initial Purchaser) shall be entitled to have the Securities held by it covered by such Shelf Registration Statement unless such Holder agrees in writing to be bound by all the provisions of this Agreement applicable to such Holder.

(b) The Company shall use its reasonable best efforts to keep the Shelf Registration Statement continuously effective in order to permit the prospectus included therein to be lawfully delivered by the Holders of the relevant Securities, for a period (the “**Shelf Registration Period**”) of two years (or for such longer period if extended pursuant to Section 3(j) below) from the Issue Date or such shorter period that will terminate when all the Securities covered by the Shelf Registration Statement (i) have been sold pursuant thereto or (ii) are no longer restricted securities (as defined in Rule 144 under the Securities Act, or any successor rule thereof). Notwithstanding the foregoing, the Company may suspend the use of the Shelf Registration Statement for a period not to exceed 30 days in any six-month period or an aggregate of 60 days in any twelve-month period for valid business reasons (not including avoidance of its obligations hereunder) to avoid premature public disclosure of a pending corporate transaction, including pending acquisitions or divestitures of assets, mergers and combinations and similar events; *provided that* (i) the period during which the Registration Statement is required to be effective and usable shall be extended by the number of days during which such Registration Statement

was not effective or usable pursuant to the foregoing provisions and (ii) the Additional Interest (as defined below) shall accrue on the Securities as provided in Section 6 hereof.

(c) Notwithstanding any other provisions of this Agreement to the contrary, the Company shall cause the Shelf Registration Statement and the related prospectus and any amendment or supplement thereto, as of the effective date of the Shelf Registration Statement, amendment or supplement, (i) to comply in all material respects with the applicable requirements of the Securities Act and the rules and regulations of the Commission and (ii) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

3. *Registration Procedures.* In connection with any Shelf Registration contemplated by Section 2 hereof and, to the extent applicable, any Registered Exchange Offer contemplated by Section 1 hereof, the following provisions shall apply:

(a) The Company shall (i) include the information set forth in Annex A hereto on the cover, in Annex B hereto in the “Exchange Offer Procedures” section and the “Purpose of the Exchange Offer” section and in Annex C hereto in the “Plan of Distribution” section of the prospectus forming a part of the Exchange Offer Registration Statement and include the information set forth in Annex D hereto in the Letter of Transmittal delivered pursuant to the Registered Exchange Offer; (ii) if requested by an Initial Purchaser, include the information required by Items 507 or 508 of Regulation S-K under the Securities Act, as applicable, in the prospectus forming a part of the Exchange Offer Registration Statement; and (iii) in the case of a Shelf Registration Statement, include in the prospectus included in the Shelf Registration Statement (or if permitted by Commission Rule 430B(b), in a prospectus supplement that becomes part thereof pursuant to Commission Rule 430B(f) that is delivered to any Holder pursuant to Section 3(d) and (f)) the names of the Holders, who propose to sell Securities pursuant to the Shelf Registration Statement, as selling securityholders.

(b) The Company shall give written notice to the Initial Purchasers, the Holders of the Securities and any Participating Broker-Dealer from whom the Company has received prior written notice that it will be a Participating Broker-Dealer in the Registered Exchange Offer (which notice pursuant to clauses (ii)-(v) of this clause (b) shall be accompanied by an instruction to suspend the use of the prospectus until the requisite changes have been made):

(i) when the Registration Statement or any amendment thereto has been filed with the Commission and when the Registration Statement or any post-effective amendment thereto has become effective;

(ii) of any request by the Commission for amendments or supplements to the Registration Statement or the prospectus included therein or for additional information;

(iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose, or the issuance by the Commission of a notification of objection to the use of the form on which the Registration Statement has been filed and of the happening of any event that causes the Company to become an “ineligible issuer” as defined in Commission Rule 405;

(iv) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and

(v) of the happening of any event that requires the Company to make changes in the Registration Statement or the prospectus in order that the Registration Statement or the prospectus do not contain an untrue statement of a material fact nor omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the prospectus, in light of the circumstances under which they were made) not misleading.

(c) The Company shall make every reasonable effort to obtain the withdrawal, at the earliest possible time, of any order suspending the effectiveness of the Registration Statement.

(d) In the case of any Shelf Registration Statement, the Company shall furnish to each Holder of Securities included within the coverage of the Shelf Registration, without charge, at least one copy of the Shelf Registration Statement and any post-effective amendment or supplement thereto, including financial statements and schedules, and, if the Holder so requests in writing, all exhibits thereto (including those, if any, incorporated by reference). If the Initial Purchasers are Holders of Securities registered on the Shelf Registration Statement, the Company shall not, without the prior written consent of the Initial Purchasers make any offer relating to the Securities that would constitute a “free writing prospectus” as defined in Commission Rule 405.

(e) The Company shall deliver to each Exchanging Dealer and each Initial Purchaser, and to any other Holder who so requests, without charge, to the extent not available on the Commission’s Electronic Data Gathering Analysis and Retrieval (“**EDGAR**”) or any equivalent thereof, at least one copy of the Exchange Offer Registration Statement and any post-effective amendment thereto, including financial statements and schedules, and, if any Initial Purchaser or any such Holder requests, all exhibits thereto (including those incorporated by reference).

(f) In the case of any Shelf Registration Statement, the Company shall, during the Shelf Registration Period, deliver to each Holder of Securities included within the coverage of the Shelf Registration, without charge, as many copies of the prospectus (including each preliminary prospectus) included in the Shelf Registration Statement and any amendment or supplement thereto as such person may reasonably request. The Company consents, subject to the provisions of this Agreement, to the use of the prospectus or any amendment or supplement thereto by each of the selling Holders of the Securities in connection with the offering and sale of the Securities covered by the prospectus, or any amendment or supplement thereto, included in the Shelf Registration Statement.

(g) The Company shall deliver to each Initial Purchaser, any Exchanging Dealer, any Participating Broker-Dealer and such other persons required to deliver a prospectus following the Registered Exchange Offer, without charge, as many copies of the final prospectus included in the Exchange Offer Registration Statement and any amendment or supplement thereto as such persons may reasonably request. The Company consents, subject to the provisions of this Agreement, to the use of the prospectus or any amendment or supplement thereto by any Initial Purchaser, if necessary, any Participating Broker-Dealer and such other persons required to deliver a prospectus following the Registered Exchange Offer in connection with the offering and sale of the Exchange Securities covered by the prospectus, or any amendment or supplement thereto, included in such Exchange Offer Registration Statement.

(h) Prior to any public offering of the Securities, pursuant to any Registration Statement, the Company shall register or qualify or cooperate with the Holders of the Securities included therein and their respective counsel in connection with the registration or qualification of the Securities for offer and sale under the securities or “blue sky” laws of such states of the United States as any Holder of the Securities reasonably requests in writing and do any and all other acts or things necessary or advisable to enable the offer and sale in such jurisdictions of the Securities covered by such Registration Statement; *provided, however*, that the Company shall not be required to (i) qualify generally to do business in any jurisdiction where it is not then so qualified or (ii) take any action which would subject it to general service of process or to taxation in any jurisdiction where it is not then so subject.

(i) The Company shall cooperate with the Holders of the Securities to facilitate the timely preparation and delivery of certificates representing the Securities to be sold pursuant to any Registration Statement free of any restrictive legends and in such denominations and registered in such names as the Holders may request a reasonable period of time prior to sales of the Securities pursuant to such Registration Statement.

(j) Upon the occurrence of any event contemplated by paragraphs (ii) through (v) of Section 3(b) above during the period for which the Company is required to maintain an effective Registration Statement, the Company shall promptly prepare and file a post-effective amendment to the Registration Statement or a supplement to the related prospectus and any other required document so that, as thereafter delivered to Holders of the Securities or purchasers of Securities, the prospectus will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company notifies the Initial Purchasers, the Holders of the Securities and any known Participating Broker-Dealer in accordance with paragraphs (ii) through (v) of Section 3(b) above to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then the Initial Purchasers, the Holders of the Securities and any such Participating Broker-Dealers shall suspend use of such prospectus, and the period of effectiveness of the Shelf Registration Statement provided for in Section 2(b) above and the Exchange Offer Registration Statement provided for in Section 1 above shall each be extended by the number of days from and including the date of the giving of such notice to and including the date when the Initial Purchasers, the Holders of the Securities and any known Participating Broker-Dealer shall have received such amended or supplemented prospectus pursuant to this Section 3(j).

(k) Not later than the effective date of the applicable Registration Statement, the Company will provide, as appropriate, a Common Code number and an ISIN number for the Exchange Securities or the related Private Exchange Securities, as the case may be. The Company shall provide the applicable trustee (or other custodian) with printed certificates for the Exchange Securities or the Private Exchange Securities, as the case may be, in a form eligible for deposit with the Euroclear Bank S.A./N.V. and Clearstream Banking S.A.

(l) The Company shall cause the Indenture to be qualified under the Trust Indenture Act of 1939, as amended, in a timely manner and containing such changes, if any, as shall be necessary for such qualification. In the event that such qualification would require the appointment of a new trustee under the Indenture, the Company shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(m) The Company may require each Holder of Securities to be sold pursuant to the Shelf Registration Statement to furnish to the Company such information regarding the Holder and the

distribution of the Securities as the Company may from time to time reasonably require for inclusion in the Shelf Registration Statement, and the Company may exclude from such registration the Securities of any Holder that unreasonably fails to furnish such information within a reasonable time after receiving such request.

(n) The Company shall enter into such customary agreements (including, if requested, an underwriting agreement in customary form) and take all such other action, if any, as a majority of the Holders of the Securities to be included in any Shelf Registration (the “**Majority Holders**”) shall reasonably request in order to facilitate the disposition of the Securities pursuant to any Shelf Registration.

(o) In the case of any underwritten offering pursuant to a Shelf Registration, subject to appropriate confidentiality agreements being executed by all parties to review information, the Company shall (i) make available for inspection at reasonable times and in a reasonable manner by a representative of the Majority Holders (the “**Inspector**”), any underwriter participating in any disposition pursuant to the Shelf Registration Statement and any attorney or accountant retained by the Inspector all relevant financial and other records, pertinent corporate documents and properties of the Company and (ii) cause the Company’s officers, directors, employees, accountants and auditors to supply all relevant information reasonably requested by the Inspector or any such underwriter, attorney or accountant in connection with the Shelf Registration Statement, in each case, as shall be reasonably necessary to enable such persons, to conduct a reasonable investigation within the meaning of Section 11 of the Securities Act; *provided* that only one counsel and only one accounting firm so retained by the Inspector shall be granted such access during the life of the Shelf Registration Statement.

(p) In the case of any underwritten offering pursuant to a Shelf Registration, the Company, if requested by the Majority Holders, shall cause (i) its counsel to deliver an opinion and updates thereof relating to the Securities in customary form addressed to such Holders and the managing underwriters, if any, thereof and dated the effective date of such Shelf Registration Statement covering the matters customarily covered in opinions requested in underwritten offerings of secured notes; (ii) its officers to execute and deliver all customary documents and certificates and updates thereof requested by any underwriters of the applicable Securities and (iii) its independent public accountants and the independent public accountants with respect to any other entity for which financial information is provided in the Shelf Registration Statement to provide to the selling Holders of the applicable Securities and any underwriter therefor a comfort letter in customary form and covering matters of the type customarily covered in comfort letters in connection with primary underwritten offerings, subject to receipt of appropriate documentation as contemplated, and only if permitted, by Statement of Auditing Standards No. 72.

(q) If a Registered Exchange Offer or a Private Exchange is to be consummated, upon delivery of the Initial Securities by Holders to the Company (or to such other Person as directed by the Company) in exchange for the Exchange Securities or the Private Exchange Securities, as the case may be, the Company shall mark, or caused to be marked, on the Initial Securities so exchanged that such Initial Securities are being canceled in exchange for the Exchange Securities or the Private Exchange Securities, as the case may be; in no event shall the Initial Securities be marked as paid or otherwise satisfied.

(r) The Company will use its best efforts to, if the Initial Securities of a series have been rated prior to the initial sale of such Initial Securities, confirm such ratings will apply to the relevant Securities covered by a Registration Statement.

(s) In the event that any broker-dealer registered under the Exchange Act shall underwrite any Securities or “participate in a public offering” (within the meaning of the Conduct Rules (the “**Rules**”) of the Financial Industry Regulatory Authority, Inc.) thereof, whether as a Holder of such Securities or as an underwriter, a placement or sales agent or a broker or dealer in respect thereof, or otherwise, the Company will use its reasonable best efforts to assist such broker-dealer in complying with the requirements of such Rules, including, without limitation, by (i) if such Rules, including Rule 2720, shall so require, engaging a “qualified independent underwriter” (as defined in Rule 2720) to participate in the preparation of the Registration Statement relating to such Securities, to exercise usual standards of due diligence in respect thereto and, if any portion of the offering contemplated by such Registration Statement is an underwritten offering or is made through a placement or sales agent, to recommend the yield of such Securities, (ii) indemnifying any such qualified independent underwriter to the extent of the indemnification of underwriters provided in Section 5 hereof and (iii) providing such information to such broker-dealer as may be required in order for such broker-dealer to comply with the requirements of the Rules.

(t) The Company shall use its best efforts to take all other steps reasonably necessary to effect the registration of the Securities covered by a Registration Statement contemplated hereby.

4. *Registration Expenses.* The Company shall bear all fees and expenses incurred in connection with the performance of its obligations under Sections 1 through 3 hereof, whether or not the Registered Exchange Offer or a Shelf Registration is filed or becomes effective, and, in the event of an underwritten offering pursuant to a Shelf Registration, shall bear or reimburse the Holders of the Securities covered thereby for the reasonable fees and disbursements (up to an aggregate amount not to exceed \$50,000) of one firm of counsel designated by the Majority Holders to act as counsel for the Holders of the Initial Securities in connection therewith.

5. *Indemnification.* (a) The Company agrees to indemnify and hold harmless each Holder of the Securities, any Participating Broker-Dealer and each person, if any, who controls such Holder or such Participating Broker-Dealer within the meaning of the Securities Act or the Exchange Act (each Holder, any Participating Broker-Dealer and such controlling persons are referred to collectively as the “**Indemnified Parties**”) from and against any losses, claims, damages or liabilities, joint or several, or any actions in respect thereof to which each Indemnified Party may become subject under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages, liabilities or actions arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in a Registration Statement or prospectus or in any amendment or supplement thereto or in any preliminary prospectus or “issuer free writing prospectus” as defined in Commission Rule 433 (“**Issuer FWP**”) relating to a Shelf Registration, or arise out of, or are based upon, the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and shall reimburse, as incurred, the Indemnified Parties for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action in respect thereof; *provided, however*, that (i) the Company shall not be liable in any such case to the extent that such loss, claim, damage or liability arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in a Registration Statement or prospectus or in any amendment or supplement thereto or in any preliminary prospectus or Issuer FWP relating to a Shelf Registration in reliance upon and in conformity with written information pertaining to such Holder and furnished to the Company by or on behalf of such Holder specifically for inclusion therein and (ii) with respect to any untrue statement or omission or alleged untrue statement or omission made in any preliminary prospectus relating to a Shelf Registration Statement, the indemnity agreement contained in this subsection (a) shall not inure to the benefit of any Holder or Participating Broker-Dealer from whom the person asserting any such losses, claims, damages or liabilities purchased the Securities

concerned, to the extent that a prospectus relating to such Securities was required to be delivered (including through the satisfaction of the conditions of Commission Rule 172) by such Holder or Participating Broker-Dealer under the Securities Act in connection with such purchase and any such loss, claim, damage or liability of such Holder or Participating Broker-Dealer results from the fact that there was not conveyed to such person, at or prior to the written confirmation of the sale of such Securities to such person, an amended or supplemented prospectus or, if permitted by Section 3(d), an Issuer FWP, correcting such untrue statement or omission if the Company had previously furnished copies thereof to such Holder or Participating Broker-Dealer; *provided further, however*, that this indemnity agreement will be in addition to any liability which the Company may otherwise have to such Indemnified Party. The Company shall also indemnify underwriters, their officers and directors and each person who controls such underwriters within the meaning of the Securities Act or the Exchange Act to the same extent as provided above with respect to the indemnification of the Holders of the Securities if requested by such Holders.

(b) Each Holder of the Securities, severally and not jointly, will indemnify and hold harmless the Company and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act from and against any losses, claims, damages or liabilities or any actions in respect thereof, to which the Company or any such controlling person may become subject under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages, liabilities or actions arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in a Registration Statement or prospectus or in any amendment or supplement thereto or in any preliminary prospectus or Issuer FWP relating to a Shelf Registration, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein not misleading, but in each case only to the extent that the untrue statement or omission or alleged untrue statement or omission was made in reliance upon and in conformity with written information pertaining to such Holder and furnished to the Company by or on behalf of such Holder specifically for inclusion therein; and, subject to the limitation set forth immediately preceding this clause, shall reimburse, as incurred, the Company for any legal or other expenses reasonably incurred by the Company or any such controlling person in connection with investigating or defending any loss, claim, damage, liability or action in respect thereof. This indemnity agreement will be in addition to any liability which such Holder may otherwise have to the Company or any of its controlling persons.

(c) Promptly after receipt by an indemnified party under this Section 5 of notice of the commencement of any action or proceeding (including a governmental investigation), such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 5, notify the indemnifying party of the commencement thereof; *provided, however*, that the failure to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and *provided further* that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof the indemnifying party will not be liable to such indemnified party under this Section 5 for any legal or other expenses, other than reasonable costs of investigation, subsequently incurred by such indemnified party in connection with the defense thereof. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a

party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action, and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 5 is unavailable or insufficient to hold harmless an indemnified party under subsections (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party on the other from the exchange of the Securities, pursuant to the Registered Exchange Offer, or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the indemnifying party or parties on the one hand and the indemnified party on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof) as well as any other relevant equitable considerations. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Holder or such other indemnified party, as the case may be, on the other, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding any other provision of this Section 5(d), the Holders of the Securities shall not be required to contribute any amount in excess of the amount by which the net proceeds received by such Holders from the sale of the Securities pursuant to a Registration Statement exceeds the amount of damages which such Holders have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11 (f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this paragraph (d), each person, if any, who controls such indemnified party within the meaning of the Securities Act or the Exchange Act shall have the same rights to contribution as such indemnified party and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act shall have the same rights to contribution as the Company.

(e) The agreements contained in this Section 5 shall survive the sale of the Securities pursuant to a Registration Statement and shall remain in full force and effect, regardless of any termination or cancellation of this Agreement or any investigation made by or on behalf of any indemnified party.

6. *Additional Interest Under Certain Circumstances.* (a) Additional interest (the “**Additional Interest**”) with respect to the Initial Securities of a series shall be assessed as follows if any of the following events occurs (each such event in clauses (i) through (iv) below a “**Registration Default**”):

(i) after the obligation to file a Shelf Registration Statement shall have arisen, the Company fails to file such Registration Statement on or before the date specified for such filing in Section 2(a) hereof;

(ii) after the obligation to file a Shelf Registration Statement shall have arisen and following the timely filing of such Registration Statement, such Registration Statement is not

declared effective by the Commission on or prior to 120 days after the date on which such obligation to file shall have arisen;

(iii) the Company fails to consummate a Registered Exchange Offer with respect to such Securities within 270 days of the date of original issuance of such Securities; or

(iv) the Shelf Registration Statement or the Exchange Offer Registration Statement shall have been declared effective but thereafter ceases to be effective or usable in connection with resales or exchanges of Transfer Restricted Securities for more than 30 days.

Additional Interest shall accrue on the Initial Securities over and above the interest set forth in the title of the Securities from and including the date on which any such Registration Default shall occur to but excluding the date on which all such Registration Defaults have been cured, at a rate of 0.25% per annum for the first 90-day period immediately following the occurrence of the first Registration Default. The amount of Additional Interest will increase by an additional 0.25% per annum with respect to each subsequent 90-day period (until all Registration Defaults have been cured), up to a maximum amount of Additional Interest for all Registration Defaults of 1.0% per annum. There can only exist one Registration Default at any one time with respect to the Initial Securities of a series. For purposes of clarification, if Additional Interest accrues on the Initial Securities, it will only accrue on the €125,000,000 of Securities issued on October 5, 2009 and not on the Company's outstanding second priority senior secured floating rate notes due 2013 issued on October 12, 2005.

(b) A Registration Default referred to in Section 6(a)(iv) hereof shall be deemed not to have occurred and be continuing in relation to a Shelf Registration Statement or the related prospectus if (i) such Registration Default has occurred solely as a result of (x) the filing of a post-effective amendment to such Shelf Registration Statement to incorporate annual audited financial information with respect to the Company where such post-effective amendment is not yet effective and needs to be declared effective to permit Holders to use the related prospectus or (y) other material events, with respect to the Company that would need to be described in such Shelf Registration Statement or the related prospectus and (ii) in the case of clause (y), the Company is proceeding promptly and in good faith to amend or supplement such Shelf Registration Statement and related prospectus to describe such events; *provided, however*, that in any case if such Registration Default occurs for a continuous period in excess of 30 days, Additional Interest shall be payable in accordance with the above paragraph from the day such Registration Default occurs until such Registration Default is cured.

(c) Any amounts of Additional Interest due pursuant to clause (i), (ii), (iii) or (iv) of Section 6(a) above will be payable in cash on the regular interest payment dates with respect to the Initial Securities. The amount of Additional Interest with respect to the Initial Securities of a series will be determined by multiplying the applicable Additional Interest rate for such Securities by the principal amount of such Initial Securities, multiplied by a fraction, the numerator of which is the number of days such Additional Interest rate was applicable during such period (determined on the basis of a 360-day year comprised of twelve 30-day months), and the denominator of which is 360.

(d) “**Transfer Restricted Securities**” means each Initial Security until (i) the date on which such Transfer Restricted Security has been exchanged by a person other than a broker-dealer for a freely transferable Exchange Security in the Registered Exchange Offer, (ii) following the exchange by a broker-dealer in the Registered Exchange Offer of an Initial Security for an Exchange Security, the date on which such Exchange Security is sold to a purchaser, (iii) the date on which such Initial Security has been effectively registered under the Securities Act and disposed of in accordance with the Shelf Registration Statement or (iv) the date on which such Initial Securities is distributed to the public pursuant to Rule 144 under the Securities Act or is (a) freely transferable in accordance with Rule 144 by

a person that is not an “affiliate” (as defined in Rule 144) of the Company where no conditions under Rule 144 are then applicable (other than the holding period requirement of paragraph (d) of Rule 144 so long as such holding period requirement is satisfied at such time of determination), (b) does not bear any restrictive legends relating to the Securities Act and (c) does not bear a restrictive Common Code number.

7. *Rules 144 and 144A.* The Company shall use its best efforts to file the reports required to be filed by it under the Securities Act and the Exchange Act in a timely manner and, if at any time the Company is not required to file such reports, it will, upon the request of any Holder of Initial Securities, make publicly available other information so long as necessary to permit sales of their securities pursuant to Rules 144 and 144A. The Company will provide a copy of this Agreement to prospective purchasers of Initial Securities identified to the Company by the Initial Purchasers upon request. Notwithstanding the foregoing, nothing in this Section 7 shall be deemed to require the Company to register any of its securities pursuant to the Exchange Act.

8. *Underwritten Registrations.* If any of the Transfer Restricted Securities covered by any Shelf Registration are to be sold in an underwritten offering, the investment banker or investment bankers and manager or managers that will administer the offering (“**Managing Underwriters**”) will be selected by the Majority Holders, subject to the Company’s consent (which consent shall not be unreasonably withheld).

No person may participate in any underwritten registration hereunder unless such person (i) agrees to sell such person’s Transfer Restricted Securities on the basis reasonably provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

9. *Miscellaneous.*

(a) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, except by the Company and the written consent of the Holders of a majority in principal amount of the Securities affected by such amendment, modification, supplement, waiver or consents.

(b) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand delivery, first-class mail, facsimile transmission, or air courier which guarantees overnight delivery:

(c) *No Inconsistent Agreements.* The Company has not, as of the date hereof, entered into, nor shall it, on or after the date hereof, enter into, any agreement with respect to its securities that is inconsistent with the rights granted to the Holders herein or otherwise conflicts with the provisions hereof.

(d) *Successors and Assigns.* This Agreement shall be binding upon the Company and its successors and assigns.

(e) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(i) *Securities Held by the Company*. Whenever the consent or approval of Holders of a specified percentage of principal amount of Securities is required hereunder, Securities held by the Company or its affiliates (other than subsequent Holders of Securities if such subsequent Holders are deemed to be affiliates solely by reason of their holdings of such Securities) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

This Prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of Exchange Securities received in exchange for Initial Securities where such Initial Securities were acquired by such broker-dealer as a result of market-making activities or other trading activities. The Company has agreed that, for a period of 180 days after the Expiration Date (as defined herein), it will make this Prospectus available to any broker-dealer for use in connection with any such resale. See “Plan of Distribution.”

Each broker-dealer that receives Exchange Securities for its own account in exchange for Initial Securities, where such Initial Securities were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Securities. See “Plan of Distribution.”

## PLAN OF DISTRIBUTION

Each broker-dealer that receives Exchange Securities for its own account pursuant to a Registered Exchange Offer must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Securities. This Prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of Exchange Securities received in exchange for Initial Securities where such Initial Securities were acquired as a result of market-making activities or other trading activities. The Company has agreed that, for a period of 180 days after the Expiration Date, it will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale. In addition, until [•], 200[•], all dealers effecting transactions in the Exchange Securities may be required to deliver a prospectus.<sup>(1)</sup>

The Company will not receive any proceeds from any sale of Exchange Securities by broker-dealers. Exchange Securities received by broker-dealers for their own account pursuant to the Exchange Offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the Exchange Securities or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer or the purchasers of any such Exchange Securities. Any broker-dealer that resells Exchange Securities that were received by it for its own account pursuant to the Exchange Offer and any broker or dealer that participates in a distribution of such Exchange Securities may be deemed to be an “underwriter” within the meaning of the Securities Act and any profit on any such resale of Exchange Securities and any commission or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The Letter of Transmittal states that, by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an “underwriter” within the meaning of the Securities Act.

For a period of 180 days after the Expiration Date the Company will promptly send additional copies of this Prospectus and any amendment or supplement to this Prospectus to any broker-dealer that requests such documents in the Letter of Transmittal. Collateral (as defined below) solely in connection with the security interest granted pursuant to the Security Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each of the undersigned agrees that the IP Security Agreement is amended and restated as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Collateral Agent for the benefit of the Trustee and the ratable benefit of the Holders a security interest in all of such Grantor's right, title and interest in and to the following (the "*Collateral*"):

(i) the patents and patent applications set forth in Schedule A hereto (the "*Patents*");

(ii) the trademark and service mark registrations and applications set forth in Schedule B hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby (the "*Trademarks*");

(iii) all copyrights, whether registered or unregistered, now owned or hereafter acquired by such Grantor, including, without limitation, the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto (the "*Copyrights*");

(iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

Without limiting the generality of the foregoing, this Amended and Restated IP Security Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Secured Obligations and would be owed by such Grantor to any Holder under the Note Documents but for the fact that they are unenforceable or not

allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Grantor.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable government officer record this Amended and Restated IP Security Agreement.
