

**RELEASE REF:** PREG/2011/016

**ISSUE DATE:** 3 August 2011

**NEW MANAGING DIRECTOR FOR PREGIS PROTECTIVE PACKAGING EUROPE**

Edwin de Wolf has been appointed Managing Director of Pregis Protective Packaging Europe. He joins Pregis after 22 years with GE Plastics and GE Security where he was most recently Managing Director, EMEA.

In his new role, Mr de Wolf will continue to develop Pregis' customer-focused growth strategy, leading and supporting individual regions in the development and introduction of new products, implementation of operational efficiencies and the continued enhancement of customer service

Mr de Wolf's wide-ranging experience includes sales, supply chain, general management and business turnarounds. He speaks fluent Dutch, English, and German and has worked in both Asia and the United States. He holds a Masters in Chemical Engineering and is a Six Sigma Black Belt.

"We are delighted to welcome Edwin to Pregis," comments Kevin Baudhuin, Global President of Protective Packaging. "He brings with him the in-depth expertise and experience that will enable us to take the business to the next level of success and growth, further developing our position as the partner of choice for all protective packaging solutions."

Ends

**About Pregis:**

Pregis Corporation is a leading global provider of innovative protective, flexible, and foodservice packaging and hospital supply products. The company offers packaging and product solutions for a wide variety of consumer and industrial market segments including food and foodservice, healthcare, agriculture, automotive, furniture, electronics, construction, fulfilment, catalogue and military/aerospace. The specialty-packaging leader currently operates 47 facilities in 18 countries around the world. For more information about Pregis, visit [www.pregis.com](http://www.pregis.com).
