

## **ARMOR-LITE®**

### **AIR-CUSHIONED/POLY MAILER**

Armor-Lite all poly mailers are not only lightweight and water-resistant, but air-cushioned as well. A sheet of air cushioning bubble is laminated to the multi-layer polyethylene film for protection of more delicate goods during transport.

- All poly cushioned mailer provides superior to paper/bubble mailers in tear-, tensile-, puncture- and water-resistance
- White outer film provides a clean appearance enhances image
- Silver-Shield™ opaque inner security layer maximizes confidentiality
- Uniform 3/16" bubble inner layer provides reliable cushioning
- Low-friction air-cushioned inner lining makes product insertion quick and removal easy
- Self-seal adhesive, tamper-evident closure with poly-release liner makes mailer easy-to-use with a secure closure

**Availability:**

- Versatility from one vendor: industry standard sizes #000-7

**Custom options:\*\***

- 1-6 color line or process print promotes brand identity
- \*\* Contact your local Pregis representative for availability
