

FRIENDLY FOAM® KRAFT/FOAM MAILERS

Protective Friendly Foam mailers feature an 1/8" Astro-Foam polyethylene lining for surface protection and cushioning. The PE foam makes this cushioned mailer lightweight and easy-to-load.

- Consistent PE cushioning lining withstands multiple impacts
- Dust- and lint-free qualities keep the contents of foam envelopes clean
- Exceptional printability on Kraft surface promotes brand identity
- Slip-free quality helps easily load mailer contents

Regional availability may apply. Please check with your sales or customer service representative.
