

POLY-LITE®

ALL POLY MAILER

Pregis Poly-Lite co-extruded film mailer are more secure, more durable, better for shipping your documents and soft goods.

- Three layer co-extruded polyethylene film provides moisture- and puncture-resistance, exceptional tear strength
- Strong side heat seals provide superior burst strength
- Silver-Shield™ security layer with opaque inner layer keeps contents confidential
- White outer layer provides a clean outer, aesthetic surface
- Adhesive self-seal closure with poly release liner makes mailer easy-to-close and tamper evident at ambient temperature
- Mailer construction meets industry demands and is preferred by international courier companies

Availability:

- Versatility from one vendor: industry standard sizes #1-8 or custom dimensions

Custom Options:

- Color printing available to promote brand identity
- Side-opening, double lip/tape and reusable construction for return shipping and easy, convenient loading/opening.
