SLEEVIT® FOAM MESH SLEEVES

Sleevit foam sleeves hug products tightly and provide the cushioning benefits of Astro-Foam® polyethylene sheet foam.

- Sleeveit foam mesh packing sleeves fit snugly around odd shapes to lightly cushion and protect delicate surfaces from abrasion.
- Sleeveit foam sleeves have the high cushioning properties of 1/8" polyethylene Astro-Foam sheet foam.
- Fruits and vegetables resist bruising when individually packed in cushioning sleeves.
- The expandable diamond-mesh vents allow air circulation to protect against spoilage and encourage perfect ripening.
- Sleeveit foam sleeves gives an extra measure of protection against surface abrasion with a minimum of added shipping bulk.
- The 1/2" collar creates a snug base. Sleeveit sleeves are available in lengths of 3 1/4", 4 1/4", 6" and 8 1/2".
