Presenting the Pregis EverTec™ mailer: A durable, curbside recyclable mailer that unlocks the power of paper. It's the ONLY cost-competitive mailer that matches lightweight, padded functionality with curbside recyclability for everything ecommerce.

Better yet, it's the option you need to replace small boxes and the manual wrapping of items. EverTec will safely ship more items in less space, while protecting against damage and increasing packing efficiency. That's the EverTec difference, yet another power-packed solution from your friends at Pregis.

## EverTec delivers for customers, supply chains, budgets...and, oh yeah, the planet.

- **Premium damage protection** – Padded construction with strong bottom and side heat sealing, cushions the package for high-impact resistance.
- **Right-sized for shipping** – Variable sizes to accommodate the widest range of items and fit more right-sized packages on every truck.
- **Ultra-efficient box replacement** – HALF the cost and effort of manual box applications, increasing warehouse efficiency.
- **Rave user reviews** – Eco-friendly materials, plus custom printing and an easy pull-tear strip create a "WOW!" customer experience where satisfaction meets sustainability.
- **Durable "Everlasting" performance** – Highly puncture resistant, with flexible "give" to protect the precious cargo through every last trip.
- **Easy to recycle** – Slam-dunk these mailers into recycling bins to restart the cycle of green enterprise, mailing worldwide.
- **True "Evergreen" solution** – Eliminates landfill waste by reducing damaged items, and creates a circular recycling stream, protecting what's inside and out.
